

CMPUT 466 Coding Assignment 2

Arun Woosaree

December 6, 2021

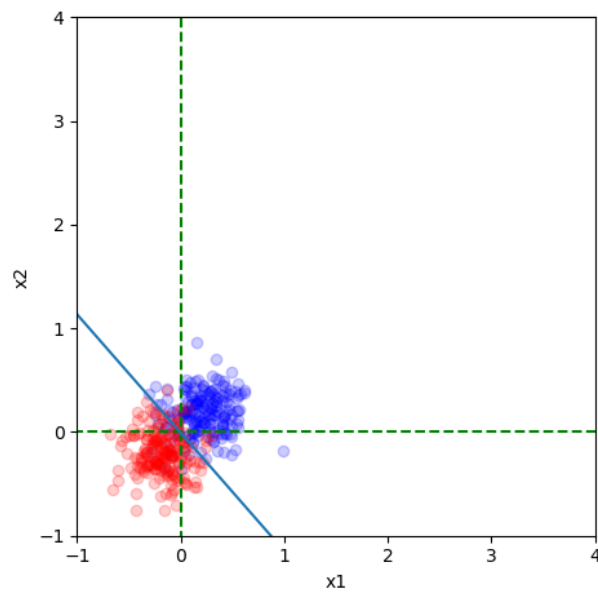

Problem 1

1 Training Accuracy of linear regression on Dataset A

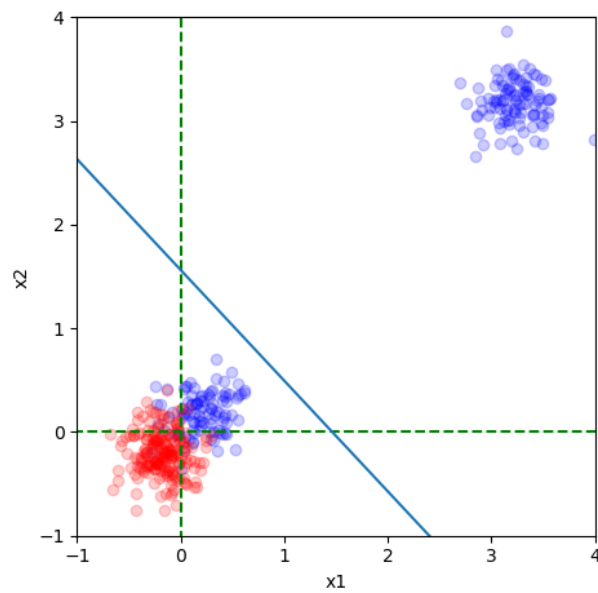

Training accuracy: 0.6025

2 Training Accuracy of logistic regression on Dataset B

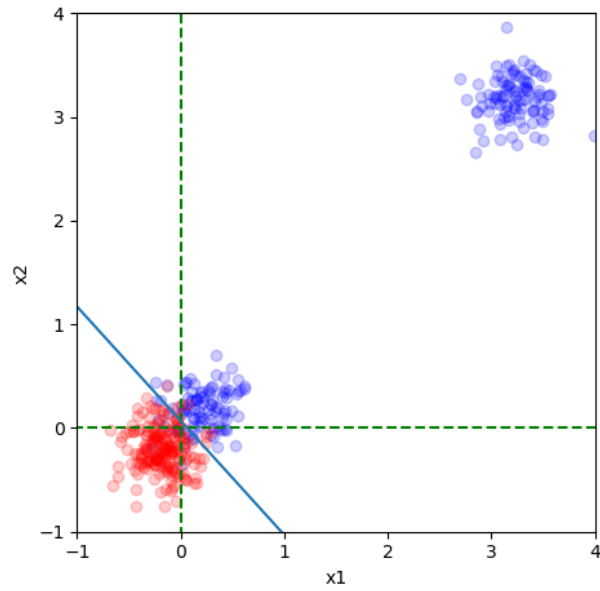

Training accuracy: 0.92

3 Training Accuracy of linear regression on Dataset A

Training accuracy: 0.5

4 Training Accuracy of logistic regression on Dataset B

Training accuracy: 0.9375
